

Kyrielle

Grandparenty Place

We make time to visit with them.
They're more precious than any gem.
We wait for the smile on their face.
 Our home is a grandparenty place.

We try to keep up with fast day
and all the props we need for play.
We don't get upset when they race.
 Our home is a grandparenty place.

Our furniture is not as it seems.
We rebuild in accord with dreams.
We concoct at fantastic pace.
 Our home is a grandparenty place.
