

## Byron's Sonnet

### Seeking Gifts

The meaning of life is to find your gifts; the purpose of life is to give it away. Pablo Picasso

We can all debate the meaning of life  
and what makes life worthwhile,  
how to find our individual style  
and to minimize our strife.  
Diverse theories are rife  
for both purpose and meaning.  
With our insights and hopes greening  
we can blunt a sword to a butter knife.  
We seed and await plants knowing  
they might not burgeon or root.  
There are many ways of growing.  
We explore to find a unique route.  
In the cloud of unknowing  
there is still much to dispute.
