

Cleave

Golfing with Blood-sucking Vampires

Phlebotomists take approach shot, tee shot
drop shot with a needle
to my arm sucking my blood
birdie, eagle
bogey, bogey-bogey, ace?
rarely hole-in-one, bandage with cotton
putter with tape. Leave me sore.
I drive home away from their fairway
turning green an unhappy player

Cleave:

1. An experimental poem to examine how something can be more than it's parts and can be 3 in 1.
2. Read the left side (Bold) top to bottom.
3. Read the right side top to bottom (not bold).
4. Read the whole lines left to right for a third integrated poem.
