

Clerihew

President Barack Obama
killed jihadist Osama.
Other terrorists are blown
by an accurate, deadly drone.

Slam poet Taylor Mali
has more punch than Ali.
Each word articulated just right
to produce perfect sound-byte.

Clerihew: Invented by Edmund Clerihew Bentley

1. Named for his middle name.
2. Rhyming a-a-b-b quatrains
3. Deals with person named in first line.
4. Lines can be of varying lengths.
