Protest Vigil 9/10.13
Against Intervention in Syria

At
vigil
a war chill
enters our hearts.
Non-violence uphill.
Syrian diplomacy starts.
Stop American strikes and war's ramparts.
We gather good will, peaceful people. No Combat!
We urge all citizens to do their parts.
Think of our counterparts.
Let our compassion fill.
So far apart.
Do not kill!

Diatelle:

1. Like a centered double Etheree but rhyme.
2. Syllable count beside the rhyme scheme:
