

## Goethe Stanza

### Dancing Light

Dust motes dance in the window's light

dance in and out of light to dark  
I watch the motes shine with delight.

I hope to breathe within their spark.

### Goetha Stanza

1. No set meter.
2. One single line, one couplet, one single line.
3. Rhyme scheme: a ba b
4. Syllable Count: suggested 8a 8b-8a 8b
5. In an example by Goethe, he used the b rhyme throughout but changed the a rhyme each stanza.
