

## Hexaduad

### Best Intentions

Backyard  
really tries very hard  
to bud, bloom, produce fruit and grow.  
We clip and mow–  
but birds (If we out-trick)  
we get to pick  
our fruit and nuts  
until short season shuts  
extravagance.  
As all creatures await next chance,  
backyard's yearly greening,  
gleaning.
