

Laurette

Moon-Wheel

Two contrails rail
across full moon-
white wheel on blue skyscape,
solid with cloud
tracking the day
traveling into night.

Clematis in July

Four clematis
re-bloom after
shriveling into brown.
Daily there's more
purple petals–
watered living delight.

Laurette: Created by Etta Caldwell Harris

1. 28 unrhymed syllables.
2. Syllable Count: 4-4-6-4-4-6
3. Six line stanzas.
