

Misfortune Cookie Poems

You Will Not Enjoy Peace and Harmony in Your Home

You will enjoy peace and harmony in your home
as long as you exclude friends, family and solicitors.
and remain blissfully alone.

Sit back and meditate.
Dream of a future
free of violence and chaos.

Remember you are one byte of ALL.
Do your part so peace and harmony will vibrate
to the cosmos to radiate to ALL.

Until then try to remain
calm and cope.
Lock the door.
