

## Tritina

### End of Days Prophecies

Doomsday prophecies over **time**  
make us fearful, yet we **survived**  
earth traumas, cosmic strikes, climate **change**.

A New Age promises enlightened **change**.  
We can hope we get it right this **time**.  
A rare galactic alignment we **survived**.

Despite dire threats for eons we've **survived**  
to hopefully bring peaceful **change**.  
How will we handle this gift of **time**?

This **time** have we **survived** to bring positive **change**?

### Tritina:

1. Ten lines.
2. Three tercets and one line using the three end words.
3. Tercets: a-b-c c-a-b b-c-a . Repeat only end words in the pattern.
4. Last line: Take the end words from the first stanza and use in the last line. It is preferred you used the end words of the first stanza in order.
