

Tweeku

The Daffodil

raining
dash into a store
sprinkled

return
daffodil shines on
windshield

stranger
placed sunspot on car
in heart

Views from the Backyard

shadows
shift across green yard
like clouds

Iris
beside blushing blooms-
white light

sidewalk
chunks layered for rock
strata

Tweeku

1. Twitter's haiku.
2. Brief tweets 2-5-2 syllables.
3. Example combines 3 with a title.
