

Abecedarian with Acrostic Sentence

Angelic Duties

Angels are supposed to be our guardians in charge of celestial relations
believe in them or not they are at least mythical messenger creations,
choruses of heavenly comfort resonating through the spheres
delight of spiritual seekers and a child's prayer
everyone secretly hopes that angels are there
for who can't use a little assistance with their life's chart
godliness features in aspects of science and art
helps us be present and grateful for life's gifts,
individuals need these dimensional shifts.
just because our sensory equipment can't perceive them
keeep dreaming somehow intuitively we'll receive them,
loving; light is welcome in dark times.
music dances our souls and sparks rhymes,
nurtures our generosity and creativity
over-souls of caring and diversity
particularly when the Earth appears unstable
quickly earth-angels come to help when able
resolve the grief, begin meeting needs
singing of hope, begin planting seeds
troubles; illness, injury, despair
ukeleles, part of stellar angelic orchestrations
violins and instruments from all nations
with an angelic agenda strum the heart-strings
xylophones pound sounds for freedom, brings
yield toward peace, serenity
zephyrys of happiness for humanity.

Abecedarian With Acrostic Sentence: The words in bold read vertically are a sentence in alphabetical order. The lines are joined by a narrative in rhymed couplets. You do not have to form a sentence flush left or rhyme. Play with a rhyme scheme or syllable counts whatever word play you want.
