

Cinquo Chimes

Chimes for Young Grandchildren

The Cuddler

James
head on
my shoulder
snuzzles closer.
Soft molder.
Sleep's con
claims.

The Shopper

She
pushes
grocery cart,
scans, picks shelves clean,
does pay part,
rushes
free.

The Reader

He
hovers
over book,
listens or reads.
Pensive look
covers
me.

Grandson's Car Parade

Cars in parade
end to end
almost
touch.
Much
to boast,
we pretend,
join in charade.
