

Count Up

Oh-pen

Pen,
since when
have you hid
under this lid?

This box is for shoes.
That's why there were no clues.
I know, this is for high heels.
My lack of noticing reveals
that I should probably acknowledge
You have hidden here decades—since college.

Count Up: Ten lines. Like Etheree but Count Up allows both rhyme and meter which Etheree usually does not. 55 syllables.
