My Grandson's New Clothes

Grandson ordered clothes—Urban Outfitters.
His shirts came from China and from Thailand.
Handmade shoes are Italian hot hitters.
His “Cheap Monday” jeans are a Swedish brand.
International—you do understand.
His Levi underwear—Thailand as well.
American-made clothes in less demand.
But then whatever he wears, he looks swell.
So his style makes all a benefitter.
As he travels, a fashion transmitter.
