### Defending Dollhood

3a            When seven  
7b            three boys insulted my doll.  
11b          Motherhood instincts rose, about to exact toll.  
9c            I chased boys home and then beat them up.  
5c            Managed to shut-up  
3d            the three boys  
3d            who taunt toys.  
5e            One father witness  
9e            laughed, didn't stop his son's girl distress.  
11f          Other two boys blamed fight on a boy bully.  
7f            I'm triumphant, smug-- truly  
3a            felt even..
