

Jeffrey's Sonnet

Muse-Angel Tug-of-Words

Angels, please be with me today
while I'm at work, while I word-play.
Pen on paper, my thoughts withhold.
Muse is on strike. Celestial
guardian, poetry angel
please make balking words **manifold**.

Ideas **unfold** when doubt leaves.
Winged words take flight when paper sheaves
see inkprints of letter imprints.
Your wing-tips touch my muddled mind
clear words for landing, left behind
luminous—fulfilling your **stints**.

My muse now **sprints** as angels **flee**
returning to **me** with new **hints**.
