

Logolift

Modus Operandi

Angel's halos are hula hoops
her head– bright loops
swirly

Angel's soft gossamer gown blows
over cloud flows
twirly

Angel's sweet song strummed with a harp
is never sharp–
lilting.

Angel's dance enhances her glow
but her halo's
tilting.

Logolift: Two sixains made up of 2 tercets.

Syllabic count: 8-4-2 8-4-2 8-4-2 8-4-2

Rhyme Scheme: aab ccb dde ffe

Created by Flozari Rockwood

I separated the tercets for this poem but can be two six line stanzas.
