

Pleiades

Intervention

In what circumstances should I intervene?
Interfere in a relationship dispute when not asked?
Inquire into the safety of someone appearing in danger?
Institute rules in a chaotic situation?
Inspire good behavior by example?
Implement loving, helpful actions?
Initiate peace and wisdom whenever possible?

Gamesters

Getting laughs with Apples to Apples.
Giving answers to Facts or Crap.
Guessing integrity with Scruples,
Going to the hoop in basketball.
Galloping after shuttlecock in badminton.
Gaining skills on table and court.
Gaffing our way to laughs.

Pleiades: The title is one word.
