### The Great Mystery

a Does our life continue after we die?  
a Scientists are trying to ask why.  
b I say- why not?  
a or c Near death experiences can spy  
a or c dimensional realms without an eye--  
b heavenly spot.

**Rhyme Cou'ee:** French Sestet or six-lines. Couplet line then a shorter b ending.  
Another couplet with an a or c rhyme. Shorter line is b. My version is 9-9-4-9-9-4.
