

Ruthless Rhyme

Fighting Tooth and Nail

The Titan's battle was ruthless.
leaving the warriors toothless
so when it came to feast,
they could not chew the beast.

Ruthless Rhyme: Created by Harry Graham. Written in rhyming couplets. Usually two of them but sometimes more. "They are deplorably funny but not in the best taste."

R.A. Lafferty had similar short rhymes in his novel *Reefs of the Earth* and he called the Bagathach verses.
