

Scallop

Grandchildren

Haidan
so far away
studying human mind.
I'm hoping he will find
joy, love and play.
Hey! Can!

Rowan
living in sun
studying hard to know,
testing programs to grow.
Hopes she's Sweden
goin'.

And James,
lucky nearby
with challenges to meet
at new high school to beat.
Hopefully he'll try
sports' aims.

Scallop: Created by Marie L. Blanche Adams.

Any number of sixains or 6-line stanzas.

Syllable Count: 2-4-6-6-4-2
