Poem Play

I am feeling very poemy
though I feel my muse is momey
If I do become more poemish
then I will see less glaucomish
my world will appear more home-ish.
I am wanting to poemicate
so to self-differentiate

When I am trying poem-izing
I am really life-revising
I hope any line creation
is a fantastic poemation
a grand poemification
I am wanting to poemicate
so to self-differentiate.
