

Sonnet

Love is the Essence of All Creation

Love is an internal focus projected outward as a constant flow of self-assurance and self-acceptance, always striving to incorporate, project more of this blissful feeling of unity and harmony with all creation.
– Ronna Herman

Love is contained within the adamantine
particles of light, flows from heart center
above of Supreme Creator-cosmic
Articles of this kind can bring us hope.

Co-creation of harmony with light,
divine blueprint, our birthright. Focus on
re-creation of soul of soul sanctuary,
Design so just become enlightened.

Become a loving vehicle of light.
Find your own divine I Am presence to
succumb to happiness, abundance,
kind actions and absorb joy and blessing.

Filter with love, feel compassion. Spirit
off-kilter, seek unconditional love.

Sonnet: A sonnet is 14 lines. This sonnet is unrhymed in 10 syllable lines. There are many sonnets that are rhymed with 8-10 syllable counts or meter.
