

Spirit's Vessel

Spirited Debates

Various origin
Essence theories explain
Spirit with creator
Sentience with neurons
Expediting your thoughts,
Launching experience.

Often I wonder if
Flights of fantasy free
Your imagination
Or mental constraints hold
Uncalled for explorings.
Reality your choice?

Search for your destiny.
Probe your life's mystery
Insight comes with your quest.
Results not guaranteed.
Inspect intuition.
Theories open to change.

Spirit's Vessel: Created by Christiana R. Jussaume.
