

## Tetrasyllabic Couplets

Beckoning Spring

The call of spring  
tugs at heart string.

I will feel chill  
of winter still.

But warmth will come.  
Cold will succumb.

When turns to green--  
a muddy scene.

Gone is the snow.  
Now all can grow.

And hopefully  
that's also me.

**Tetrasyllabic Couplets:** From Catalonia Spain. 4 syllable meter broke tradition of 8 syllable lines in 15<sup>th</sup> century. Written in any number of couplets. 4 syllable lines.  
Rhyme Scheme: a-a b-b c-c etc.
