

## Triple Triplets

### My Loves

My love for poetry is tall.  
My love for politics is small.  
My love for math– not at all.

### Support

My support for Obama is big.  
For George W. Bush–a twig,  
but I would have supported a Whig.

### Preferences

I don't prefer a king over a queen,  
but I do prefer blue over green.  
Family? Hard to choose between.

**Triple Triplets:** Created by Linda Varsell Smith. Three mono-rhymed tercets. Can be three separate triplets, separated by numbers, or just three tercets under one title. Centered or flush left. Any topic.
