

Triquain

Windhorses

*Fly now beyond duality with the windhorses of the sky
Only there does enlightenment in freedom from polarity lie.
Anonymous*

Mystics and
shaman on vision quest
become masters of the windhorse way.
Spiritual warriors seek who we are
break mirrors of illusion,
beyond duality.
Fly away.

A windhorse is like a pegasus with the horn of a unicorn. It is a symbol of mastery.

Syllable Count: 3-6-9-12-9-6-3 Triquains and Triquain Swirls are centered.

Bosnian Valley of the Pyramids Near Visoko

Pyramids:
oldest on the planet
called Sun, Moon,, Dragon, Mother Earth, Love
with tallest tumulus in the world, labyrinth
for body, regeneration, place
for rejuvenation–
magical
energy machine with
continuous beam through pyramid
top, proof of non-Herzian technology here.
Three labyrinth chambers, blue lake
large ancient ceramics.
Mystery.
In the tunnels there's no
technological radiation,
no cosmic radioactivity and there
negative energy transforms to
positive energy.
History's
rewriting pyramids.
Interdisciplinary research
from physical, energetic, spiritual
dimensions, purpose. Biggest. Built with
superior concrete–
miracles.
